

PLASSON

Bulk feed bins

General features:

- Feed Bins made completely of galvanized steel sheets.
- Easy flow of the feed.
- Ladder with body-guard in all models.
- Variety of sizes and a range of capacities to fit your needs.

 **PLASSON®**

World Class Poultry Systems

Hopper slide valve is an alternative if you need to discharge feed manually.

Exclusive detachable ladder system to avoid kids climbing up.

Ladder body-guard until the top for your safety.

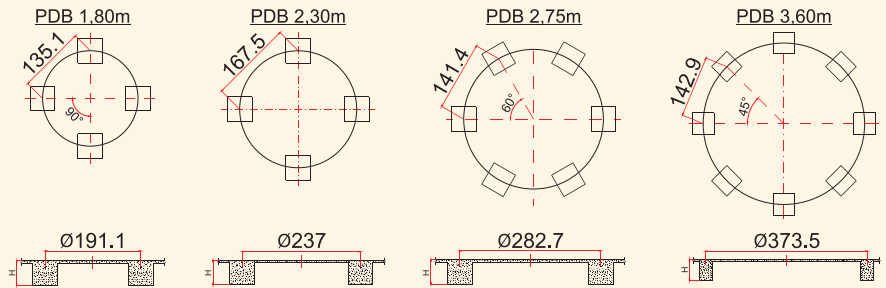

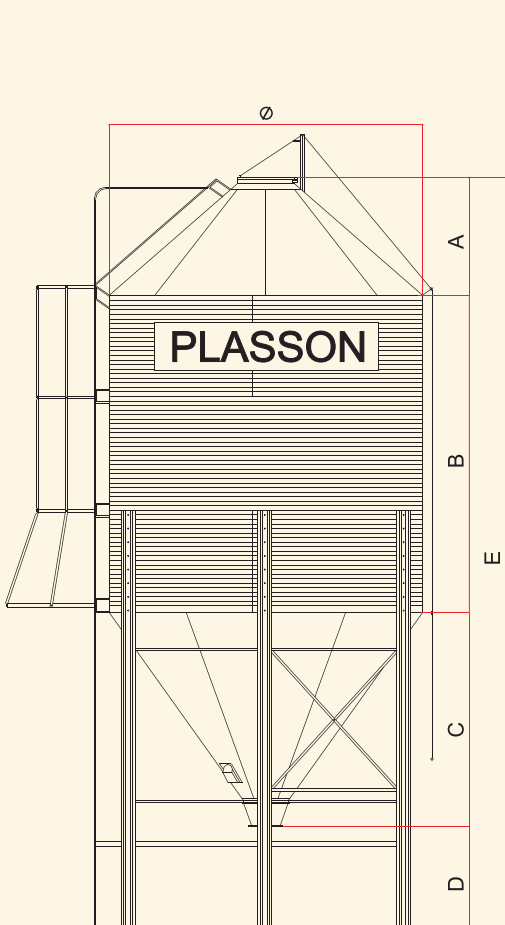

Drip lip: Leads water away from the hopper and lower boot.

Easy opening system to operate the lid from the ground.

The sheet rolling ensures good emptying of the feed.
